News and events from the U.S. Army Garrison Wiesbaden military community in Germany

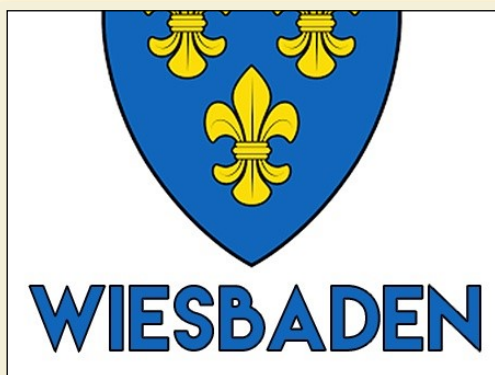

PCS Resources: Furniture and household goods disposal on the German economy

The disposal of furniture and household goods during permanent change of station season is not limited to the facilities available on a U.S. Army installation. There are multiple ways to dispose of, sell, or give away goods on the German economy.

Wiesbaden observes sexual assault awareness and prevention month

As long as there have been people who care about making the world a better place, there have been individuals advocating for sexual assault prevention. Our Wiesbaden community is dedicated to supporting survivors of sexual assault every day of the year, but each April we do something a little different to bring additional light to this important issue.

Courtesy Translation: New Corona rules in Wiesbaden

"Starting on Saturday, April 2, new Corona rules apply in Hessen - and thus also in Wiesbaden. The administrative staff of the state capital decided on Wednesday, March 30, to adjust the city's Corona rules starting on Monday, April 4. The obligation to wear a medical mask in administrative offices of the city with high public traffic will be extended until Easter Monday, Apr. 18, due to the continued high risk of infection."

"Festplatz am Ratsweg"

April 8 - May 1 - Downtown Frankfurt

Frankfurt's famous Spring Dippemess returns again to the "Festplatz am Ratsweg" in downtown Frankfurt.

The "Dippemess" is a popular and colorfully diverse

folk festival for the entire family.

It is also Frankfurt's largest and oldest fair, dating back to the 14th century, which takes place twice a year in Spring and Autumn. The event will feature fair-
